

Pam Doseck, PHR

Director of Benefits

The Ohio State University, Office of Human Resources

Pam Doseck brings over 24 years of benefits experience to The Ohio State University where she works with a benefits budget of over \$700 million and oversees all of the university's health and welfare benefit programs for over 30,000 benefit-eligible faculty and staff. During her tenure she has worked in collaboration with OSU Health Plan, Inc., the university's in-sourced health plan, and Ohio State's Wexner Medical Center to conceptualize and implement *Your Plan for Health*, which is the university's approach to personalized care and population health management. An ongoing focus of her work is to integrate wellness and health care plan design to engage members in managing their health and implement to work with providers to improve care delivery and outcomes in a continuous effort to manage overall health care spend.

Doseck joined Ohio State as Associate Director of Benefits in 2003 and became Director in 2007. Her prior experience includes benefits and HRIS management at Abercrombie & Fitch, Qwest Communications, and Exel Logistics. She has a bachelor's degree from Ohio State in Business Administration, with a major in Management and Human Resources. She received her Professional in Human Resources (PHR) certification in 2002.
